TEAM BUILDING REVOLUTION

80 MINUTES OF PURE MAGIC TO TURN YOUR TEAM INTO A ROCK BAND!

Each participant becomes the protagonist of a powerful and catchy rock song, **regardless of their musical background or previous knowledge!**

The secret?

We have developed a special method that enables even absolute beginners to make music in a very short time. And it's very relaxed and a lot of fun. Everyone contributes to the big picture and has the **opportunity to make music with their own hands.**

The result?

A guaranteed sense of achievement, musical power, fun and lasting memories of an unforgettable team experience. All participants receive a great live audio recording as a souvenir. Let your team 'rock' and experience the unifying energy of music!

**GET READY TO CREATE A MEMORABLE EVENT!
'ROCK-YOUR-TEAM' IS AN UNFORGETTABLE EXPERIENCE IN WHICH YOUR TEAM BECOMES THE PROTAGONIST OF A ROCK PERFORMANCE!**

FOR WHOM? Perfect for companies of all sizes. Departmental teams, entire workforces or even private groups. Whether small or large groups, 'rock-your-team' is guaranteed to get everyone involved!

HOW MANY PARTICIPANTS?

From 4 to 200 people: everyone can be the protagonist of this unique experience.

LOCATION? One spacious room is sufficient for groups of up to 24 people. Two rooms are required for larger groups. In principle, we can offer you a real band atmosphere in almost any room, regardless of the acoustics!

LENGTH?

80 minutes of pure music power and team fun.

WHAT DOES IT TAKE? Practically nothing: just a few tables and chairs. We take care of everything else and provide all the musical equipment to the venue.

WHERE? Wherever you are! In Switzerland or abroad, we bring 'rock-your-team' directly to you and turn any venue you choose into a concert hall.

WHAT WILL WE PLAY?

We usually bring a great rock classic with us. A piece that is suitable for the method we use and is also easy for beginners to play. If possible, however, we are also happy to take individual customer requests into account.
